This casino payout report was prepared by Certified Fair Gambling on behalf of the following casino:

Casino:	Bookmaker Casino
Currency:	U.S. Dollars
URL:	www.bookmaker.eu

The following table shows the payout percentage for each type of game, as well as the payout percentage for all games, for the month of ***May, 2018***:

Blackjack:	98.722%
Table Games:	97.118%
Slots:	96.638%
Video Poker:	96.271%
All Games:	97.939%

These audits are conducted by examining the complete data log files provided to Certified Fair Gambling for the explicit purpose of conducting an independent audit of game fairness. In our opinion, the log files provided fairly and accurately represent the actual and total play for the audited period.

The audits conducted demonstrate that the casino games are operating in a manner that is statistically indistinguishable from the same games as offered in a brick and mortar casino. We conclude that the casino games offered by Bookmaker Casino are operating in a manner that is statistically stable and fair
